FOR STUDENTS: Accessing a Quiz Submission View

When an instructor has enabled a submission view for students, the following documentation will show students how to access their submitted quiz. If you do not see the following message, go to INSTRUCTIONS / STEP 1.

NOTE: The message below will alert you that your instructor has enabled the Respondus Lock Down browser to view the quiz submission. In order to view the questions, you will first be required to use the Lock Down Browser to login to your course. After login, follow the steps below to view your submitted quiz.

INSTRUCTIONS:
STEP 1: Under Assessment, select User Progress. Under Summary, (located on the left of the page) select Quizzes.
**STEP 2:** Select Details.

**STEP 3:** Select Attempt 1. The Quiz submission view set by the instructor is visible. Keep in mind, the submission views may vary from course to course, depending upon individual instructors settings. You may or may not see all the questions and/or answers.
